

Ilfracombe Tennis Tournament (Grade 4)

Ilfracombe 2018 is going ahead on Saturday 21 July (arrive that day) till Saturday 28 July.

Since 2002, JC Tennis has been taking players in their coaching program to a Grade 4 Tennis Tournament in Ilfracombe, Devon, set in the beautiful location of Bicclescombe Park. We have had many successes over the years with players returning year after year to try their luck. Players of all standards are welcome to play. Adults and juniors can enter.

The accommodation has 2 heated indoor swimming pools, restaurants and other facilities on site. The players will be able to relax between matches either at the tournament, or the holiday park.

The cost is £429 for single entries to include accommodation and tournament fees. Some lifts to and from Devon are available, more drivers may be needed.

Justin and Libby head the trip and will be supervising our players, they will be able to help players with tournament times, formats, tie-breaks and any wobbly moments!

Players will be entered into 2 singles and a doubles matches in the tournament (partners will be provided if needed.) Friendly match play will be available to play throughout the week so plenty of tennis will be played. It's a great social event and on Thursday evening we go for a buffet with fancy dress and speeches.
